Reference for Martina Franić

Martina is a diligent and creative costume designer, who work for us on regular basis for 4 years.

In our production we face a lot of last changing situations and long lasting shootings, we are very aware that we can rely on Martina.

She can provide anything we need, keep her working items tidy, storage them and bring them on set always on time.

She is also good costumes designer in terms of behaving with actors.

Martina is approaching to actors with patience and excellent ability to here them how they feel in a costume.

She is also comprehensive with the materials and skills she is proposing to the director, leaving him at peace to give his last word.

We highly recommend Martina Franic to work with, cause she is capable to new more demanding projects, due to her professionalisam and willingness to learn quickly.
